

Keystone 65 Select HMO

Medicare Advantage plan for employer groups

Keystone 65 Select HMO is a Medicare Advantage plan from Independence Blue Cross (IBX) that combines all of the benefits of Original Medicare plus value-added benefits in one convenient plan. With six plan designs to choose from, Keystone 65 Select HMO can help you meet your employees' coverage needs and stay within your budget. All Keystone 65 Select HMO plans include:

- Access to more than 15,000 primary care physicians and specialist sites and more than 55 hospitals
- 100 percent preventive care coverage for over 14 routine exams and screenings for early intervention
- Low annual out-of-pocket maximums
- Prescription drug benefit options
- Emergency and urgently needed care covered worldwide
- Gym membership through a fitness program at no additional cost
- Supplemental benefits for dental, vision, and hearing
- Disease management and case management programs
- Healthy LifestylesSM Solutions reimbursement programs

Why choose Blue?

IBX offers an extensive portfolio of Medicare products for group customers, including Medicare Advantage HMO and PPO plans, prescription drug plans, and Medicare Supplement options.

Show your employees that you understand their unique health care needs as they become eligible for Medicare while protecting your bottom line and premium costs at the same time.

- **Choice** — comprehensive group Medicare plans
- **Affordability** — at a low cost
- **Quality** — plans that meet unique needs
- **Stability** — low impact to your bottom line
- **Sustainability** — for both you and your employees
