1095-B Tax Form Social Security Number (SSN) Corrections

If you received a 1095-B tax form from Independence Blue Cross (Independence) with an incorrect or missing SSN, you may use this form to correct or provide a missing SSN.

We need a valid SSN for you and anyone covered under your Independence health plan to issue you an updated 1095-B form and to accurately report your coverage status to the IRS. We encourage you to consult your tax advisor and [refer to the 1095 Q&A on the IRS website](#) for information about the use of 1095 forms.

How to return this form to Independence

- Mail to Enrollment Department Independence Blue Cross, 1901 Market Street, Floor 10, Philadelphia, PA 19103-1463
- Scan and send by email to 1095@ibx.com.

If you need assistance, you may call our toll-free number at 1-888-335-4270. Please note that our customer service representatives cannot make changes to SSNs over the phone. You must complete and return this correction form to make necessary changes.

This form is for SSN changes only. Do not use this form to submit a change of address, or to add/remove dependents from your plan. How to make changes to non-SSN information:

- If you have health coverage through an employer, please contact your employer.
- If you purchased your insurance directly from Independence (not through the Health Insurance Marketplace at HealthCare.gov), please call the customer service phone number on the back of your member ID card.
