Manage your health with just a few clicks

With ibxpress.com, you have quick and secure access to information you need to make smarter health care decisions — anytime and anywhere. Easily navigate to tools that help you manage your benefits, take control of your health, and get the most from your health plan.

Benefits
Review your medical, pharmacy, and vision coverage, and print a temporary ID card.

Claims & Spending
Monitor the status of your claims, check the balance of your spending accounts, and print out a tax year report.

My Care
Manage your family's care and get access to your doctor's information, referrals, and the Symptom Checker.

Personal Health Record
Stay on top of your health with this digital health diary that automatically updates with your office visits, surgeries, and tests when your doctor submits a claim. And if you have kids, you can view their Personal Health Record to help you stay on top of their immunizations and check-ups. You even have the ability to update the Personal Health Record yourself, adding over-the-counter medications, reminders for appointments, and test results.

Wellness Profile
Stay on the road to good health with an immediate assessment of your health and a personalized action plan.

My Alerts
Keep tabs on recent account activity and check on the status of referrals and claims.

Ask IBX
Type in your question and Ask IBX will answer quickly plus suggest related information.

Customize your provider search

When you select your health plan type, your results are customized based on your network, making it even easier to locate a participating doctor, specialist, hospital, or other medical facility.

- Free-text search bar allows you to search by provider name, specialty, and location
- Compare up to three doctor or facility profiles
- Search medical, vision, and dental providers along with pharmacies

Rate and review your care

Want a second opinion when choosing treatment options? Check out the provider ratings to see what patients have to say. You can even add your own reviews based on:

- Experience
- Communication
- Availability
- Environment
