# DENTAL VISION

Adult Dental and Vision Care plans through Independence Blue Cross (Independence) offer low out-of-pocket costs, access to a large network of providers, and cover adults age 19 and older.<sup>†</sup> Dental benefits help you maintain your oral health, while vision care gives you access to eye exams, eyeglasses, contacts, and other value-added benefits.

## Your plan options

Dental and vision plans can be purchased separately. Or, you can choose to purchase a dental and vision plan at the same time and receive up to a 15 percent discount on your monthly vision premium.
