

How to Find Preventive Plus Providers

To find a Preventive Plus professional (i.e. a doctor or medical professional):

1. Log in to www.ibxpress.com. Click the *Find a Provider* tab on your homepage. Select “Doctors & Medical Professionals” from the first drop-down.
Note: The example below has a zip code of “19119” and a radius of “Within 5 miles” because this area code definitely has P+ professional providers within it.
2. Fill out the location and radius fields.
Note: The example below uses plan name in the search field.
3. Select whether you’d like to search by your alpha-prefix or plan name.
Note: The example below has “No Preference” selected.
4. Select the plan name of your choice.
Note: The example below has “No Preference” selected.
5. Click “Submit.”
Note: Clicking “Submit” will take you to the Search Results page.

The screenshot shows the Independence website's search interface. The top navigation bar includes the Independence logo and a search bar with the text "SEARCH" and "Enter text or search" and a "GO" button. Below the search bar, it indicates the "Current Location: Philadelphia, PA".

The main content area is divided into three columns:

- I WANT TO FIND A...**: This section contains several search filters, each circled in red and numbered 1 through 5:
 - 1. A dropdown menu for "Doctors & Medical Professionals" with a red asterisk and a "Read help with your search?" link below it.
 - 2. A text input field for "Doctor, Medical Professional or Practice Name" with the example "e.g. Rita Smith OR Brentwood Medical Group". Below it is a text input field for "Enter address, city+state, county+state or zip" with the value "19119" and a dropdown menu for "Within 5 miles".
 - 3. A section for "Search your network using" with radio buttons for "Member ID" and "Plan Name".
 - 4. A dropdown menu for "Select a Plan" with "No Preference" selected.
 - 5. A dropdown menu for "Select Specialty" with "Alternative Medicine Providers" selected, showing sub-options: "Acupuncturist" and "Christian Science".
- SEARCH TIPS**: This section provides advice on narrowing searches for physicians and hospitals, listing criteria like Board Certified, Specialty, Language, Facility Type, and Blue Distinction Center.
- CHOOSE THE RIGHT DOCTOR**: This section offers tips on estimating care costs, finding quality information, and knowing options for deductibles and coinsurance.

At the bottom of the search filters, there is a "View Glossary" link and a "Submit" button circled in red. Below the search filters, there are two promotional banners: "Already a member? Log in to view additional provider details." and "Indian Health Services (IHS) Provider Search".

- On the Search Results Page, if your search results have at least one P+ provider in it, you will see a filter for P+. Click the P+ filter checkbox.
- Once you click on the P+ filter checkbox, your results will only display P+ providers.

Know Your Options: Cost-Saving Tips for Deductibles and Coinsurance

Consider choosing doctors in your plan's network.

For non-emergencies, consider seeking treatment at an Urgent Care Center or Retail Health Clinic

Consider having blood tests performed at non-hospital-based labs.

For X-Rays, CT scans, or MRIs, consider choosing standalone Diagnostic or Imaging Centers instead of hospitals.

For health plans with the Preventive Plus benefit for preventive colonoscopy, you are not subject to a copayment, deductible, or coinsurance when you use a provider with a Preventive Plus designation. Please
