

# LEED and Green Building workshop

Thursday, August 25, 2005

8 AM – 5 PM

(Breakfast/registration 8 AM,  
workshop 8:30 AM, includes lunch as well)

Doubletree Hotel  
322 North Spokane Falls Court,  
Spokane, WA

---

## REGISTER TO ATTEND THE FIRST OF A SERIES OF LEED and GREEN BUILDING WORKSHOPS IN OUR AREA

The LEED Green Building Rating System is a comprehensive, voluntary design and assessment tool that helps architecture, engineering and construction professionals improve building efficiency, and measure the sustainability of their projects. Understanding LEED is an important step for reducing environmental impacts and achieving superior economic performance. Architects, engineers, facility managers and building owners who master LEED concepts and processes become knowledgeable practitioners of green design and construction.

**This workshop is great preparation for LEED projects and the LEED Accredited Professional Exam.**

### TO REGISTER CLICK HERE:

Anyone in the building industry is invited to attend. For more information or to register: [www.cascadiagbc.org](http://www.cascadiagbc.org)
