

# LEED-NC: Technical Review (formerly LEED Intermediate Workshop)

**Thursday, December 9th • 8:30 am – 5:00 pm**

Northwest Horticultural Society (NHS) Hall  
Center for Urban Horticulture • University of Washington  
3501 NE 41<sup>st</sup> Street  
Seattle, WA 98105

### REGISTER TO ATTEND A LEED TRAINING WORKSHOP IN YOUR AREA

The LEED Green Building Rating System is a comprehensive, voluntary design and assessment tool that helps architecture, engineering and construction professionals improve building efficiency, and measure the sustainability of their projects. Understanding LEED is an important step for reducing environmental impacts and achieving superior economic performance. Architects, engineers, facility managers and building owners who master LEED concepts and processes become knowledgeable practitioners and consumers of green design and construction.

### HOW TO REGISTER

Anyone in the building industry is invited to attend. For more information on LEED Training Workshops or to register for a workshop near you, visit [www.usgbc.org](http://www.usgbc.org). **Please note that late registration rates take effect one week prior to the workshop.**

FEES	Regular	Late
USGBC Members	\$325	\$355
Non-Members	\$425	\$475

USGBC is an AIA/CES Registered Provider of educational programs.

### LEARN TO APPLY LEED TO YOUR DESIGN PRACTICE AND BUILDING PROJECTS BY ATTENDING A LEED WORKSHOP.

- Introduce yourself to green-building design benefits and strategies.
- Learn how to use the LEED Green Building Rating System.
- Learn about green building resources to use in your projects.
- Acquire the tools and insights for leveraging green design and LEED into your practice and differentiate yourself in the marketplace.
- Become an educated consumer of sustainable building practices.
- Help prepare yourself to sit for the LEED Accredited Professional exam.

### Workshop attendees will receive:

- The LEED-NC training workbook and speakers notes
- The LEED-NC Green Building Rating System
- Online access to the LEED-NC 2.0 & 2.1 Reference Guide
- The option to purchase the LEED-NC 2.1 Reference Package at a discounted price
- Exclusive one-year access to the LEED credit interpretation rulings
- Discounts on green building and sustainable design resources
