

Riverside Credit Solutions

Founded in 1998, The Riverside Company is a multi-platform, global private equity firm focused on making control and non-control investments in growing businesses, exclusively focused on the smaller end of the middle market. Riverside currently manages over \$6.1 billion of assets across seven fund families.

Riverside Credit Solutions, a member of the Riverside family of funds, is focused on providing flexible financing solutions to companies in the smaller end of the middle market. RCS' customized financing solutions support both private equity-sponsored and non-sponsored transactions.

RCS is led by an experienced team of investment professionals with over 60 years of combined industry experience through multiple credit cycles.
